- The first ACL SIGSEM WG meeting on multimodal semantic representation to be held
- in conjunction with IWCS-5, 15-17, January, 2003,
- on Tuesday 14 January, 2003
- in Tilburg, The Netherlands.

Slide 8

6. Concluding Remarks

- Positive interest in organizing the First WG meeting on MCR is strongly elicited,
- that will be held on January 17, 2003, in Tilburg, The Netherlands.
- This and consequent activities will turn into one of the PWIs of ISO/TC 37/SC 4,
- thus officially initiating the establishment of ISO/TC 37/SC 4/WG 2.
