(drafted by Kiyong Lee,

proofread by Alex Fang, Terence Langendoen

reviewed by Key-Sun Choi, Laurent Romary, and Nicoletta Calzolari)

adopted at the ISO/TC 37/SC4 plenary meeting

at the City University of Hong Kong, Hong Kong, China, 2008-01-13

Resolution 2008- 01: Adoption of WI on Dialogue Acts as NP SemAF-2

SC 4 proposes a new Work Item on dialogue acts as ISO/TC 37/SC 4/WG 2 NP "Language resource management - semantic annotation framework - Part 2: Dialogue acts" (SemAF/Dial), drafted by TDG 3 convenor Harry Bunt and endorsed by WG 2 convenor Kiyong Lee, and resolves that it be submitted immediately to P-member bodies for a 3-month ballot and O-members and liaisons for information for adopting it as a new deliverable with the proposed project leader Harry Bunt and that the 36-month development track (default) be followed with the formation of the editorial group by the aforementioned proposed project leader and the submission of the first WD by mid-April, 2008, for review at the next SC 4 and Working Group meetings during the last week of May, 2008, in conjunction with LREC (main events: 2008-05-28/30), in Marrakech, Morocco.

Resolution 2008- 02: Adoption of WD 24619 CitER as a CD

SC 4 resolves that the current version of WD 24619 Citation of Electronic Resources (Project leader: Daan Broeder, daan.broeder@mpi.nl, WG 1 convenor: Nancy Ide) be accepted as a CD, thus being promoted to the ISO document stage 30 and that the first version of the CD be completed by late January for the first three-month CD ballot ready for review at the next SC 4 and WG meetings to be held in late May in Marrakech, Morocco, in conjunction with LREC2008.

Resolution 2008- 03: Nomination of Editor

SC 4 requests that Sue Ellen Wright serve as editor for WG 1 24619 CitER, especially to supervise its completion as a CD before submission for the first CD ballot due in late January.

Resolution 2008- 04: Reconfirmation of TF Harmonization

SC 4 reconfirms the establishment of a Task Force for the Harmonization of SC 4 documents related to the management of language resources and services, consisting of SC 4 convenors and project leaders.

Resolution 2008- 05: Nomination of Convenor for TF Harmonization

SC 4 requests that Alex Fang of CNIS and the City University of Hong Kong serve as chair/convenor of the Task Force for Harmonization and as chair/convenor take responsibilities for reviewing and evaluating all of SC 4's WD, CD, and published documents on language resource management, and also for periodically calling for a meeting to discuss the results of review and evaluation.

Resolution 2008- 06: Nomination of Host Organizers for the meetings in Marrakech, Morocco

SC 4 requests that Nicoletta Calzolari (host, LREC conference chair), Monica Monachini, and Thierry Declerck organize the meetings in Marrakech, Morocco, on 2008-05-26/31, in cooperation with the convenors and project leaders under the general management of the SC 4 Secretary Key-Sun Choi.

Resolution 2008-07: Establishment of TDG 7 Lexical semantics

SC 4 proposes the establishment of Thematic Domain Group 7 Lexical semantics, and requests that Monica Monachini (UNI, ILC -CNR) serve as its convenor. Its main function is to work on a semantic module focusing on lexical knowledge, to provide a list of specific data categories for LMF specified in ISO 24613:2008.

Resolution 2008- 08: Meetings

SC 4 and its Working Groups resolve that:

- (1) **May 2008:** Hosted by ELRA, SC 4 plenary and WG meetings be held in Marrakech, Morocco, in conjunction with LREC 2008, and preferably that the plenary and WG meetings be scheduled on 2008-05-25/27 before the main events of LREC (2008-05-28/30) and the WG meetings (2008-05-31) afterwards, in order to encourage the active participation of SC 4 members in LREC activities and also to promote activities of ISO/TC 37/SC 4. Editorial meetings are encouraged to be held during the main conference of LREC as well.
- (2) **August 2008:** SC 4 plenary and WG meetings be held in Moscow, Russia, on 2008-08-09/16 during the TC 37 annual meetings.
- (3) **October 2008:** Hosted by UNI and ILC-CNR and preferably in cooperation with CLARIN, SC 4 plenary and WG meetings be held in

Pisa, Italy, on 2008-10-XX/yy, possibly with a workshop with some specific topics on language resources and services.

- (4) **January 2009**: Hosted by NEN and Tilburg University, SC 4 plenary and WG meetings be held on 2009-01-06/07, in Tilburg, the Netherlands, in conjunction with IWCS-8, and editorial meetings during the conference (2009-01-08/10).

Resolution 2008- 09: Document submission dates

SC 4 resolves that:

- (1) by **2008-02-15**: a revised version of ISO WD 24612 “Linguistic annotation framework” (LAF) be submitted to the Secretariat for its registration as a CD and for processing the first 3-month CD ballot so that the ballot comments can be reviewed at the SC 4 and WG meetings, Marrakech, Morocco, 2008-05-26/30.
- (2) by **2008-01-31**: a completed version of ISO CD 24615 “Syntactic Annotation Framework” (SynAF) be submitted to the Secretariat for its registration at ISO Central Secretariat as DIS and also for processing the first 5-month DIS ballot so that the ballot comments can be reviewed at the TC 37 meetings, Moscow, 2008-08-09/16.
- (3) by **2008-03-15**: a completed version of ISO CD 24617-1 “Semantic Annotation Framework – Part 1: Time and events” (SemAF/Time) be submitted to the Secretariat for its registration at ISO Central Secretariat as DIS and also for processing the first 5-month DIS ballot so that the ballot comments can be reviewed at the Pisa meetings, 2008-10-xx/yy.
- (4) by **2008-04-15**: a completed version of ISO WD 24614-1 “Word Segmentation – Part 1: Basic concepts and general principles” (WordSeg-1) be submitted to the Secretariat for its registration as a CD and also for processing the first CD ballot so that the ballot comments can be reviewed at the TC 37 meetings, Moscow, 2008-08-09/16.
- (5) by **2008-09-15**: a completed version of ISO WD 24614-2 “Word segmentation – Part 2: Chinese, Japanese, and Korean” (WordSeg-2) be submitted to the Secretariat for its registration as a CD and also for processing the first CD ballot.
- (6) by **2008-02-15**: a completed version of ISO pre-DIS 24611 “Morphosyntactic Annotation Framework” (MAF) be submitted to the Secretariat for its registration as a DIS and also for processing the first DIS ballot so that the ballot comments can be reviewed at the TC 37 meetings, Moscow, 2008-08-09/16
- (7) by **2008-02-15**: a completed version of ISO pre-DIS 24610-2 “Feature system declarations” (FSD) be submitted to the Secretariat for its registration at the ISO CS as DIS and also for processing the first 5-

month DIS ballot so that the ballot comments can be reviewed at the TC 37 meetings, Moscow, 2008-08-09/16

- (8) by **2008-04-15**: a completed version of ISO WD 24616-1 “Multi-lingual information framework” (MLIF) be submitted to the Secretariat for its registration as CD and for processing the first 3-month CD ballot so that the ballot comments can be reviewed at the SC 4 and WG meetings, Morocco, 2008-05-26/30.

Resolution 2008 - 17: Acknowledgments

SC 4 expresses its gratitude to Professor Jonathan Webster, chair of the Department of Chinese, Translation, and Linguistics, the City University of Hong Kong, and his faculty and staff for their full support, and also to Nancy Ide and Alex Fang, the organizers of the ICGL for providing the most congenial and creative environment for the various meetings of SC 4 held during the ICGL conference week, 2008-01-08/13.
